Conditions:

- the correspondent author of the article must have an affiliation with the EISZ member institution participating in the consortium,
- Articles which acceptance date for publication falls within the duration of the agreement (01.01.2022 - 31.12.2022) are eligible for funding under the agreement.
- article type: scientific article,
- the article should be accepted into an eligible journal.

Note: If an authorized article is not recognized as eligible due to any errors, authors may file a complaint for 30 days, and the publisher will be able to retrospectively set open access at the expense of the agreement.

Quota: the entire Hungarian consortium may publish 30 articles at the expense of the agreement in 2022.
